Dear Families,

With our transition morning coming up on Wednesday I am pleased to be able to share with you the staff list for class-based staff for the next academic year. I am pleased to say that we have retained all of our current staff which gives us great momentum and consistency for our schools.

A notable change is that Mr Neumann is moving to a Sports and PE role which will also include teaching Year 6 English, but we are excited to have PE and sport as a school priority for the coming year. We are aware that we have lacked a sporting offer recently and we have already begun plans for a football team next year and a free to attend football club. Our offer won't stop at football...more news on this in the future!

I would also like to take this opportunity to share with you the news that Mrs Buckley is retiring after over 25 years of service to our pupils. I hope that you will join me in congratulating her over the next few weeks before we break up for the summer!

As you know Mrs Deeming has started her maternity leave. In the meantime, Miss Boyer will provide maternity cover in Mrs Deeming's new class, 3BR, until she returns.

On Wednesday all children need to arrive at school as normal to their current class. If they are in Year 2 the staff will bring them over to the Junior school after registration. This letter will be followed by a communication from the school office to let you know which specific teacher your child will have in September.
