21st October 2025

Dear Families,

Year 3 – Rocks & Fossils Workshop

We are very excited to share that we have organised an exciting experience for our Year 3 pupils.

To bring to life the work we will be undertaking in Science and Geography next half term about 'Extreme Earth', we would like the children to have hands on experience looking at and investigating different rocks and fossils.

These workshops will take place throughout the school day on Tuesday 10th February 2026.

PAYMENT

On this occasion we are asking for a voluntary contribution of £3.44 per child, which covers the cost of the workshops. Please ensure payment is made via ScoPay by **Friday 9th January 2026**.

Parents are asked to make a voluntary contribution to cover the cost of their child taking part in these visits. This contribution represents the cost of providing the workshops shared equally among all pupils. As school resources are limited, we need to receive sufficient contributions for the event to go ahead. If there is difficulty providing a contribution, please speak to the school office. Any child who misses an event/visit paid for by his/her parent through illness will only be able to receive a refund providing we have not been charged.

Thank you for your support.

Yours sincerely

Year 3 Team
