27th February 2026

Dear Families,

Year 3 and Nightingale Class – Stop Motion Animation Workshop

We are very excited to share that we have organised another exciting experience for our Year 3 and Nightingale Class pupils.

As part of our Computing curriculum, children will learn to create their story and turn it into their very own animated works using a range of digital devices. Children will have the opportunity to use digital software to storyboard and create stop-motion animations.

These workshops will take place throughout the school day on Friday 8th May 2026.

On this occasion we are asking for a voluntary contribution of £8.71 per child, which covers the cost of the workshops. Please ensure payment is made via ScoPay by **Friday 1st May 2026**.

Parents are asked to make a voluntary contribution to cover the cost of their child taking part in these visits. This contribution represents the cost of providing the workshops shared equally among all pupils. As school resources are limited, we need to receive sufficient contributions for the event to go ahead. If there is difficulty providing a contribution, please speak to the school office. Any child who misses an event/visit paid for by his/her parent through illness will only be able to receive a refund providing we have not been charged.

Thank you for your support.

Yours sincerely

Year 3 Team
